Toronto) Torture suspect and former U.S. Vice President Richard (Dick) Cheney is scheduled to speak at the Toronto Global Forum, October 31, 2013, at the Metro Toronto Convention Centre. The event is hosted by the International Economic Forum of the Americas.

Lawyers and others are urging Canada to either bar Dick Cheney from Canada as a person credibly accused of torture – or to arrest and prosecute him on arrival, as required by the Convention against Torture. That Dick Cheney authorized, directed and failed to prevent the widespread use of torture by US officials on non-Americans detained in off-shore prisons is no longer open to question. The United Nations Committee Against Torture has determined that torture suspects temporarily in Canada must be dealt with in accordance with the Convention.

A letter has been sent to Canada's Prime Minister, Attorney General and Ministers of Foreign Affairs and Immigration advising them of Canada's legal obligations. For a complete copy of the letter submitted [click here](#).

Gail Davidson, spokesperson for Lawyers Against the War noted, "Evidence of Dick Cheney's involvement in torture and other gross human rights abuses is overwhelming. It is time for the law to step in."

"Former Vice President Cheney led the Bush administration into a war based on lies which destroyed Iraq, directing a far-flung regime of torture, rendition and detention he referred to as 'the dark side.' He should be indicted and prosecuted for violations of the conventions against torture, " stated Debra Sweet, director of World Can't Wait.

"Thus far the U.S. has failed to prosecute anyone up the chain of command for abuses that have occurred in the highest offices of the United States of America, setting a precedent for future leaders to repeat the same crimes," states Nancy Mancias, CODEPINK organizer. "We look to the leaders in Canada to take steps to ban former Vice President Dick Cheney from entering the country because of his involvement in torture and the Iraq war."

A letter from Lawyers Against the War (LAW) sent to Canada's Prime Minister, Attorney General and Ministers of Foreign Affairs and Immigration has been gravely ignored.

"It is long overdue for Cheney and other Bush administration officials to be held to account for the high crimes of instituting and implementing the systematic practice of torture. This record of impunity must not be allowed to stand," stated Azadeh Shahshahani, President, National Lawyers Guild.

Torture and war crimes suspect Dick Cheney is scheduled as a keynote speaker at the October 31st luncheon of the Toronto Global Forum, hosted by the International Forum of the Americas. Should Cheney be allowed to freely enter Canada despite the illegalities involved, civil society groups are planning a rally beginning at 11:00 am on Halloween, Oct. 31

st

, outside the Metro Toronto Convention Centre.

"We are calling on the government of Canada, which has no qualms about enying entry to anti-war activists and is still trying to deport war resisters that refused to follow Cheney's illegal and immoral orders, to arrest this war criminal when he enters Canada," said Sid Lacombe, coordinator of the Canadian Peace Alliance.
